INTERIM REPORT OF THE MEDICAL OFFICER OF HEALTH FOR THE YEAR 1940.

57, Goldthorn Crescent,
Penn,
Wolverhampton.
April, 1940.

Mr. Chairman, Lady, and Gentlemen,

I have the pleasure of presenting my Interim Report for the year 1940.

We have a large number of Refugees, who have increased the number of Infectious Diseases very considerably.

Large acreages of agricultural land have been occupied for War purposes.

The number of Scarlet Fever cases was		32.	
ditto.	Diphtheria	28.	A large increase.
ditto.	Tuberculosis.	26.	

Considerable epidemic of Measles and Whooping Cough has occurred.

No urgent matters affecting the Public Health arose.

All Health records are being preserved.

I remain,

Yours obediently,

H. R. SPACKMAN,
M.O.H., F.R.I.P.H.
